

Lab 4 Deliverables – Backlog

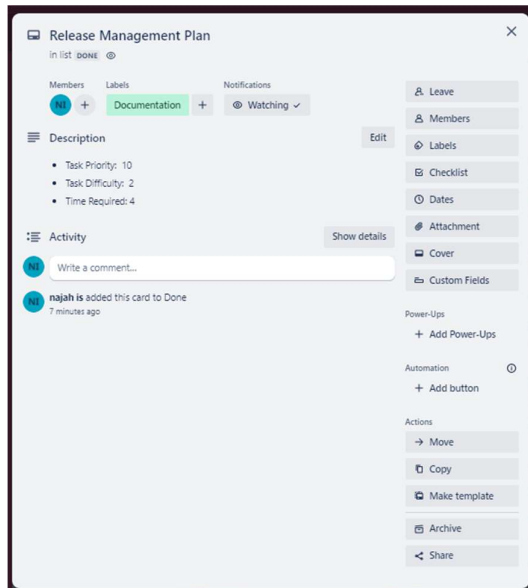

Group PetPal (Date: 24/10/24)

Overview

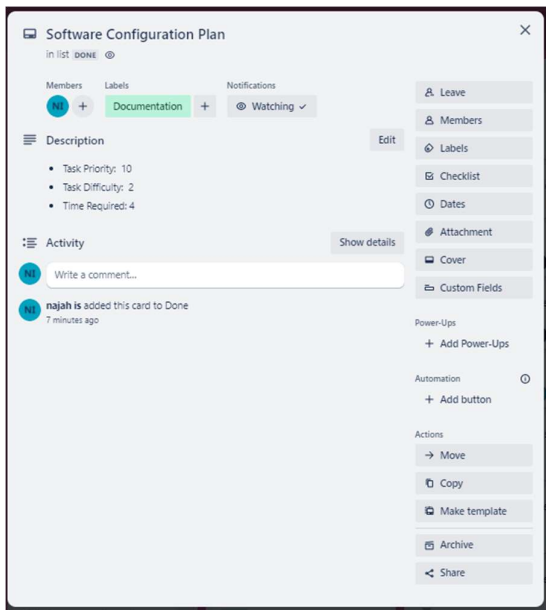

Done

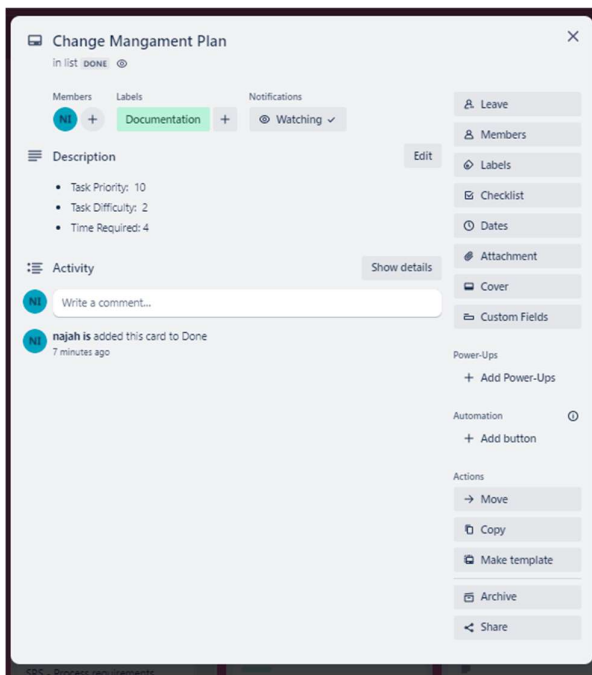

1. Release Management Plan

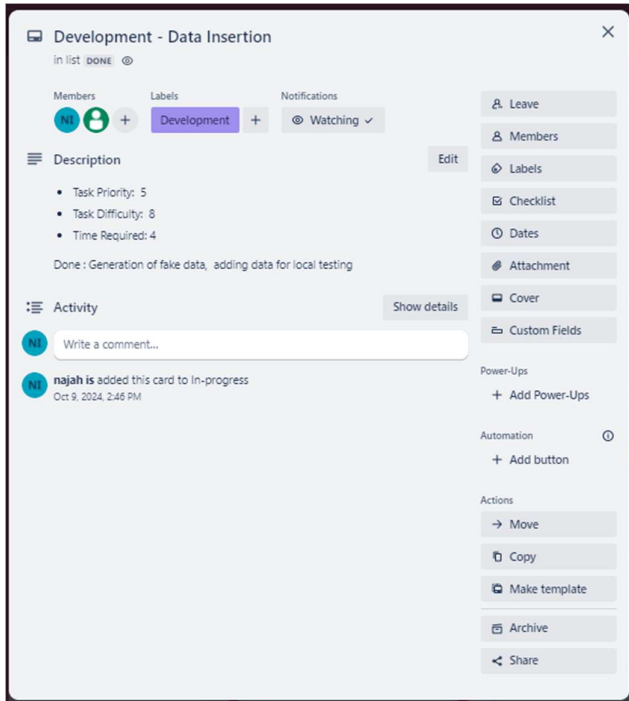

2. Software Configuration Plan

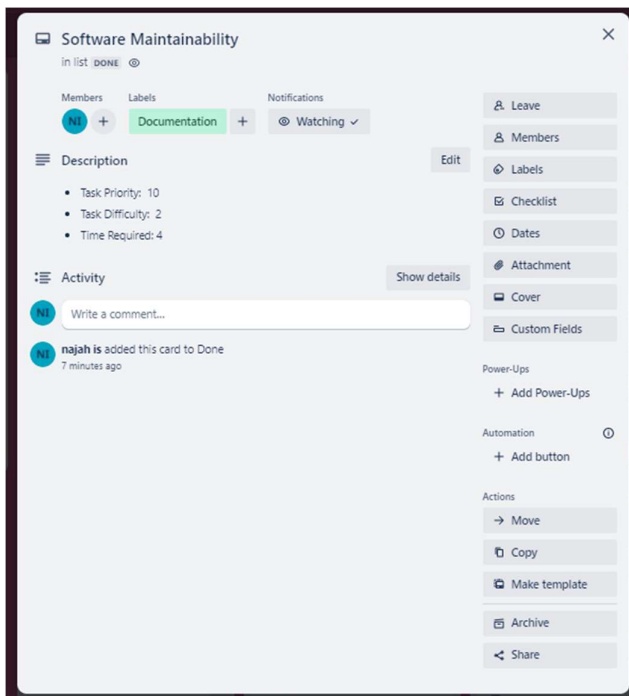

3. Change management plan

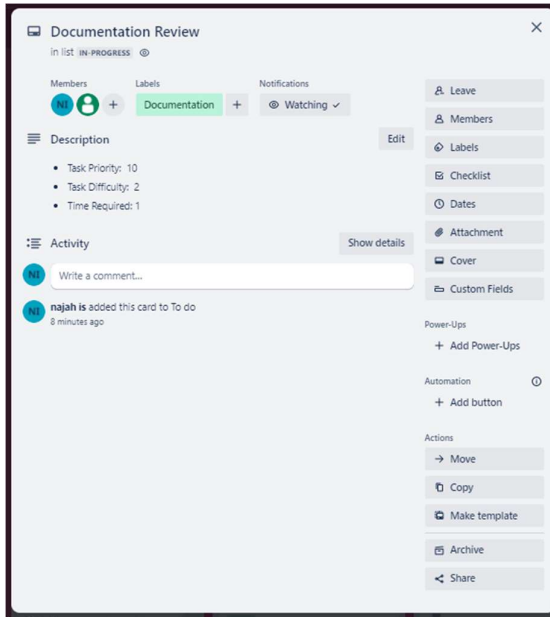

4. Development - Data Insertion

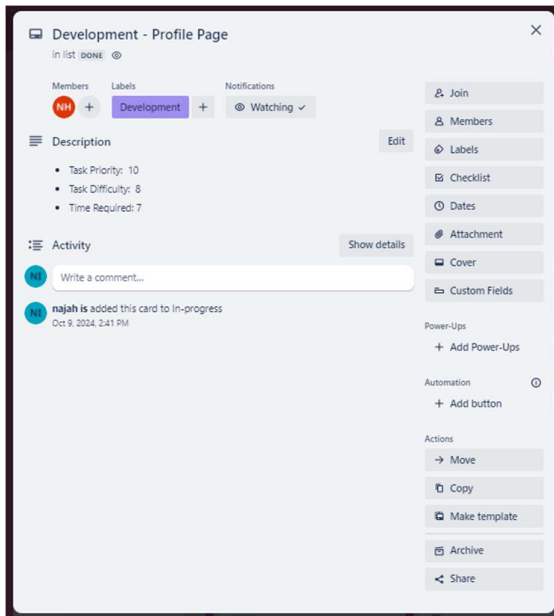

5. Software Maintainability

In-progress

1. Development - Profile Page

2. Documentation Review

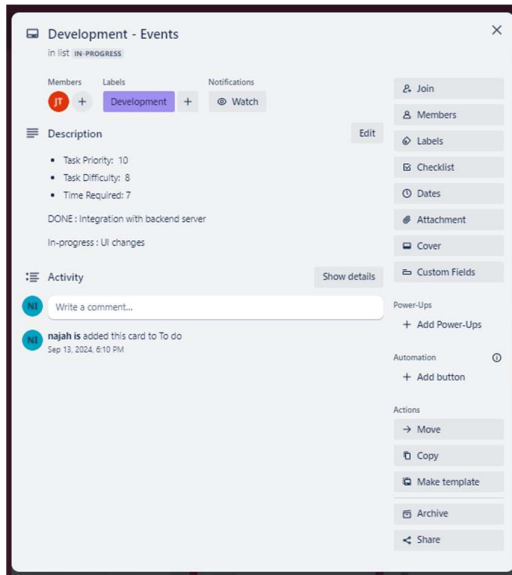

3. Development – Adoption

The screenshot shows a Trello card titled "Development - Adoption" with a close button (X) in the top right corner. Below the title, it says "in list IN-PROGRESS". The card has three tabs: "Members" (showing a member with initials "DG"), "Labels" (showing a purple "Development" label), and "Notifications" (showing a "Watch" button). To the left of the description is a menu icon. The "Description" section contains a list of items: "Task Priority: 10", "Task Difficulty: 8", and "Time Required: 4". To the right of the description is an "Edit" button. Below the description is an "Activity" section with a "Show details" button. The activity feed shows a comment input field and a notification from "najah" stating "najah is added this card to To do" on "Sep 13, 2024, 6:11 PM". On the right side of the card, there is a vertical list of options: "Join", "Members", "Labels", "Checklist", "Dates", "Attachment", "Cover", "Custom Fields", "Power-Ups" (with a "+ Add Power-Ups" button), "Automation" (with a "+ Add button" button and a settings icon), and "Actions" (with buttons for "Move", "Copy", "Make template", "Archive", and "Share").

4. Development - Database API

The screenshot shows a Trello card titled "Development - Database API" with a close button (X) in the top right corner. Below the title, it says "in list IN-PROGRESS". The card has three tabs: "Members" (showing a member with initials "V"), "Labels" (showing a purple "Development" label), and "Notifications" (showing a "Watch" button). To the left of the description is a menu icon. The "Description" section contains a list of items: "Task Priority: 10", "Task Difficulty: 8", and "Time Required: 7". Below this list, there are three lines of text: "Tasks Completed: Events , Sitting ,Adoption", "Tasks Pending : POST and GET pets", and "APIs to be added on request by the front end team". To the right of the description is an "Edit" button. Below the description is an "Activity" section with a "Show details" button. The activity feed shows a comment input field and a notification from "najah" stating "najah is added this card to In-progress" on "Oct 9, 2024, 2:44 PM". On the right side of the card, there is a vertical list of options: "Join", "Members", "Labels", "Checklist", "Dates", "Attachment", "Cover", "Custom Fields", "Power-Ups" (with a "+ Add Power-Ups" button), "Automation" (with a "+ Add button" button and a settings icon), and "Actions" (with buttons for "Move", "Copy", "Make template", "Archive", and "Share").

5. Development – Events

6. Development - Sitters POV
